NUS Delegates

Megan Homburg Manifesto

Hi! I'm Megan and I am your current Vice President Sport at Lancaster University Students' Union. I am running to be one of your NUS Delegates representing Lancaster University at the 2023 NUS Conference. Working at the Students' Union this year one of my main focuses has been on giving students a voice. I would love the opportunity to represent this voice on a national level.

I believe that most Lancaster Students would agree that at present the NUS does not represent the views and beliefs of our university. The recent report that was published highlighted systemic antisemitism within the NUS. As one of the only Jewish Sabbatical officers in the country I feel that I am in a strong position to be able to advocate for Jewish students at Lancaster University.

Being VP Sport this year I have made it my priority to listen to the views of students and act accordingly. I have made it my aim to ensure that I do not only represent the students that partake in sport and physical activity, but every student. I have worked alongside the FTO team in campaigns against the cost of living crisis and ensuring that Lancaster is safe and welcoming for every single student. I feel passionately that university should be a home away from home for all students and that the NUS should do better at representing us.

If elected as NUS delegate I would ensure that every decision I make will be with the intention of improving the Lancaster University experience for students. This is my last year in Lancaster and I believe I am the right candidate to represent our university on the national level. Vote Megan #1 for NUS delegate to ensure YOUR voice is heard.

Vic Phillips Manifesto

Hi I'm Vic, my pronouns are she/her and I'm running to be one of your NUS Delegates!

I currently work as VP Welfare of the Students' Union and have been using my position to advocate for more student representation in the development of University procedures and policies. Students are at the heart of my work and I'd like to further this by becoming an NUS Delegate and raising current concerns at the NUS Conference in March.

The National Union of Students (NUS) has not been thoroughly representative of students for a significant period. At the NUS National Conference, I would ensure that your voices and concerns are heard and act as your representative.

There are 3 major concerns that have been highlighted this year:

1. The lack of commitment to a maintenance loan increase
2. The lack of worthwhile advocacy for safer nights out
3. The inconsistency of Students' Union good practice

It is vital that your concerns are heard and, more importantly, acted upon. I will ensure that the NUS acts in your best interest and prioritises your priorities.

Vote Vic #1 for NUS Delegate to ensure your voice is at the heart of NUS!
